

TEACHER OF SCIENCE SEPTEMBER 2019

Pimlico Academy, part of Future Academies, seeks an experienced, inspirational teacher with the vision and talent to join our highly committed, experienced and supportive Science staff and contribute to the development of the department. The Science department is a collaborative and experienced team. Results at both GCSE and A Level are well above the national average and the department are passionate about teaching the subjects to the highest possible standard across the three key stages.

At Pimlico Academy we are developing an academic culture where the highest standards are expected of staff and students. It is a dynamic and demanding school and one where students and staff are exceptionally well supported.

We can offer you:

- A supportive, cohesive and very purposeful environment.
- The opportunity to work within an innovative and ambitious family of schools.
- The opportunity to work with enthusiastic and hardworking pupils.
- High quality facilities with excellent resources.
- Excellent CPD.
- A location easily accessible by train, tube and bus.

Job Description

The successful applicant for this post will be expected to:

- Teach Biology, Chemistry or Physics across all key stages
- Contribute to the development of existing resources and produce new ones in relation with new KS4 & 5 specifications
- Secure outstanding attainment and progress at all key stages.
- Provide extra-curricular support for pupils to ensure outstanding achievement and progress for exam groups and promote enjoyment and participation in the subject for non-exam groups.
- Show flexibility, innovation and intelligence in responding to the needs of the pupils and Academy as a whole.

Person Specification

The right person for the job will be:

- Passionate about Science and have excellent academic qualifications and thorough subject knowledge.
- Able to contribute to the development of the curriculum and have a vision for Science enrichment
- Able to combine academic rigour and achievement with enjoyment of the subject.
- A good communicator, with outstanding planning and organisational skills and the ability to work within a team.
- Committed to safeguarding and promoting the welfare of children.
- Committed to wider school life and be willing to engage in a range of extra-curricular activities.
